* not sure why we missed toters -- they may have been set out after we went by

** figured this out on 10/3 -- no recycling set-outs that day for #19

*** figured this out on 10/3 -- 3 recycling set-outs that day behind #s 11-15

**** pretty sure there was trash in front of buildings on one or more days

*****noted 2 emptied bins beside driveway on 6/12/03

*****but figured out May 2003 these were from neighboring #89 Webster

*****but large set-outs sometimes outside #40 might be from entire bldg incl #38
